

The Deli is a South African farm café serving fresh, seasonal dishes, all sourced from our harvest garden or surrounding like-minded producers. Enjoy our grass-fed, free-range Black Angus beef, forest reared Duroc pork and organic eggs from our pasture raised hens that live and roam freely on the farm.

BOSCHENDAL CITRUS FESTIVAL

Our regenerative farming practices allow our orchards to deliver only the best zesty citrus. Enjoy the bounty of our winter Citrus Festival in our citrus inspired winter menu.
